

New representativ in Austria – ibr Rauscher GmbH

We are pleased to announce that ib Rauscher GmbH has taken over as our new representative in Austria on June 1, 2016. We look forward to a good future cooperation and welcome them to our team.

The ib Rauscher GmbH is characterized by many years of experience in the field of energy supply. The support and planning of medium voltage switchgears is part of their daily business.

Ing. Martin Rauscher, Managing Director
